AFFIDAVIT FOR JUDGMENT

I, the undersigned, DAN PIERGENTILI, businessman, residing and domiciled, for the purpose of the present affidavit, at 9000 Trans-Canada Highway, in the City of Pointe-Claire, District of Montreal, Province of Québec, hereby solemnly affirm:

1. I am the president and chief executive officer of the Plaintiff, Mitec Telecom Inc. (hereinafter "**Mitec**"), and I am therefore authorized to sign the present affidavit;

2. Mitec is a company specialized in the manufacture and design of microwave and telecom products, as appears from a copy of the Enterprise Register file data, communicated herewith as **Exhibit P-1**;

3. The Defendant, BIP Corporation (hereinafter "**BIP**"), is an American corporation engaged in the business of manufacturing and distributing satellite communication systems;

4. The Mise en cause, Export Development Canada (hereinafter "**EDC**"), is crown corporation wholly owned by the Government of Canada and it provides notably, insurance to Canadian exporters;

EXHIBIT "H"

5. BIP generally purchases VSATs, block up converters, solid-state power amplifier systems and waveguide components and systems (hereinafter "**Inventory**"), from Mitec who in turn stores it in a segregated warehouse, prior to receiving instructions from BIP to deliver said Inventory;

6. On July 25, 2006, Mitec and BIP entered into a Bill and Hold Agreement (hereinafter the "**Agreement**") pursuant to which the Inventory purchased by BIP from Mitec is stored in a warehouse segregated from Mitec's Pointe-Claire facility, as appears from a copy of the Agreement, communicated herewith as **Exhibit P-2**;

7. From May 30, 2006 to July 27, 2007, BIP placed several purchase orders and instructed Mitec to deliver certain Inventory to its location in California, totalling an amount of US$488,050.52, as appears from a copy of the invoices and purchase orders communicated together as **Exhibit P-3**;

8. As of today, despite being duly put on notice, BIP neglects, omits and/or refuses to pay Mitec the amount of US$488,050.52, which continues to be due for the abovementioned merchandise sold, as appears from a copy of the demand letter dated November 15, 2007 which was served on December 4, 2007, as appears from the Declaration of service, communicated together herewith as **Exhibit P-4**;

9. As of the date of the present proceedings, the US dollar exchange rate is 1,0211 for one Canadian dollar, as appears from the document entitled *Rates and Statistics* dated January 15, 2008 provided by the Bank of Canada communicated herewith as **Exhibit P-5**;

10. In consequence of the foregoing Mitec is well founded to claim from BIP the amount of CA$498,348.39;

11. On May 1, 2004, Mitec purchased insurance from EDC which provides coverage for accounts receivable from foreign buyers (hereinafter the "**Policy**"), as appears from a copy of the Policy as well as the subsequent policy renewals communicated together herewith as **Exhibit P-6**;

12. Consequently, seeing BIP's refusal to honour its obligations towards Mitec and to pay the invoiced amount of US$488,050.52, the latter submitted to EDC a claim payment application for the same amount which represents its net loss, as appears from a copy of the claim payment application, communicated herewith as **Exhibit P-7**;

13. On December 11, 2007, alleging that the outstanding amount of US$488,050.52 is disputed, allegation which Mitec does not admit but expressly denies, EDC refused to assume liability for the claim, as appears from a letter dated December 11, 2007 addressed to Mitec, communicated herewith as **Exhibit P-8**;

14. Consequently, Mitec impleads its insurer, EDC, as a third party to these proceedings in order to ensure that EDC is fully informed of the litigation notably, of the outcome of the alleged dispute;

15. Pursuant to the Agreement, any legal proceeding must be instituted in the judicial district of Montreal:

> "**8.7 Governing Law**. This Agreement shall be governed by and construed in accordance with the laws of the Province of Québec and the federal laws of Canada therein applicable. Each party irrevocably submits to the non-exclusive jurisdiction of the courts of the Province of Québec in the judicial district of Montreal with respect to any matter arising hereunder or related hereto."

16. All the facts alleged in the present affidavit are true to my personal knowledge.

AND I HAVE SIGNED:

FREQUENTLY ASKED:

Why is the currency I'm looking for not listed here?

The Bank currently collects data for about 55 foreign currencies. This data is intended primarily for people with a research interest in foreign exchange markets, and represents a sampling of currencies from various regions. It is not meant to be an exhaustive listing of all world currencies.

More comprehensive currency converters are available elsewhere on the web. You may want to try **hifx.com** or **oanda.com**.

Are the exchange rates shown here accepted by Canada Revenue Agency?

Yes. The Agency accepts Bank of Canada exchange rates as the basis for calculations involving income and expenses that are denominated in foreign currencies.

Subject: Claim Payment Application - BIP Corporation "Buyer"

Dear Ms. Ferguson,

Further to our telephone conversation and after review of the documentation provided with the above-mentioned Claim Payment Application, we wish to confirm that we have completed our analysis.

EDC cannot accept liability of the claim for the following reason:

- Dispute (Section 7): "If there is a Dispute between the Insured and the Buyer with regard to any matter which brings into question the amount owing (or whether there is any amount owing) by the Buyer to the Insured (a "Dispute"), the Insurers shall have no liability with respect to the claim **until** the Dispute is finally settled, by negotiation or otherwise, and the Loss amount is clearly established."

Do not hesitate to contact the undersigned should you have any questions..
